

# Cittamani Hospice Service

## June Appeal 2019

*I know that no matter what I say here it will never fully express my gratitude and love for everything that Cittamani did for my beautiful Mum. She couldn't speak highly enough of you all and told me more than once how she had never met a group of people in which every one of its members was so full of love and kindness.*

*Thank you for the dignity you afforded my mother and for the frankness with which you approached her illness – this in itself gave us all courage.*

*Thank you for the respect and love that you showed her and the rest of our family, and for the caring way you all approached each task and conversation.*

*Yours is a wonderful organisation and I hope that everyone will give generously so that you can continue to support families like ours.*

*Hayley Hardy*
